# **FOAM - 517**

## **SPECIFICATIONS**

### **USAGE:**

*FOAM - 517 is a special blend of wetting agents (surfactants) to be used where high foam levels are desired. FOAM-517 is a superior fully biodegradable detergent for use in foaming brush applications and as a foam/detergency booster when used as an additive with your detergent. Safe for use on all surfaces. This product has a neutral pH and is user friendly. FOAM-517 contains a water softening package to help soften hard water. Very free rinsing.*

### **COMPETITIVE PRICE**

- 1. Contains a concentrated surfactant system for excellent cleaning results. 43% Actives.*
- 2. Economical per gallon cost. As a foaming brush detergent dilute up to 250:1 with water. As a foam booster use between one quart and one gallon per 55-gallon drum of detergent. Costs pennies per gallon to use.*

### **SUPERIOR DETERGENT**

- 1. Designed specifically for foaming brush applications and as a foam additive. Use with pressure washers, pump up sprayers or in car/truck wash bays.*
- 2. Designed to work well in cold or hot water. User friendly. Exclusive dispersion and water softening package.*
