

TECHNICAL DATA SHEET

BIO ASPHALT REMOVER 599

Bio Asphalt Remover₅₉₉ is a specifically formulated detergent used for removal of tar, asphalt, tree sap, adhesive residues, oil field tars and greases. This product is able to be flushed away with water. For use on asphalt/tar trucks, oil field equipment, heavy duty road equipment, painted and plastic surfaces. Easily applied with spray or brush. To use, allow the detergent to sit and penetrate then flush with high pressure rinse. Bio Asphalt Remover₅₉₉ is a nontoxic, user friendly readily biodegradable environmentally friendly detergent. This product is 100% active. Safe to use on all metals, plastic and concrete surfaces.

Product Highlights

- ◆ Formulated with biodegradable surfactants and soy based active ingredients.
- ◆ Economical per gallon cost. 599 is the Environmentally responsible choice to replace diesel fuel on the job site along that highway or near a water way. Many asphalt paving companies love the heavy duty, quick acting performance on the heaviest of build-up.
- ◆ Bio Asphalt Remover₅₉₉ is a non-corrosive product that makes it environmentally friendly and provides maximum user and equipment safety.
- ◆ Bio Asphalt Remover₅₉₉ will float on water. Collect and investigate as a fuel in a waste oil furnace. This can eliminate expensive disposal costs and any potential hazardous wastewater. This product can be removed with an oily water separator or skimmed off the surface of a holding reservoir. Works well in hard or soft water.
- ◆ Non-Hazardous, Non-Corrosive.
- ◆ Does not carry ingredients that attack the earth's ozone, or contribute to smog.

Physical Description

- ◆ 100% Active Ingredients
- ◆ Flash point = > 154°F
- ◆ pH 5% Solution = 6-9
- ◆ Specific Gravity = 0.85
- ◆ VOC = <23 g/L
- ◆ Shelf Life = 2 years
- ◆ Freeze / thaw stable
- ◆ Appearance = Light yellow liquid

Application Directions:

Use Bio Asphalt Remover₅₉₉ undiluted. May be applied using a sprayer, pump up sprayer or with a cloth. After applying, allow to penetrate the asphalt. Wipe off or pressure rinse with water.

Available in

5 Gal Pail ◆ 55 Gal Drum ◆ 275 Gal Tote
