

## TECHNICAL DATA SHEET

### FC ULTRA 505

FC Ultra<sub>505</sub> is a mildly alkaline non-hazardous vehicle/industrial cleaner. FC Ultra<sub>505</sub> is safe to use on new aluminum and polished aluminum when used as directed. FC Ultra<sub>505</sub> helps restore faded and oxidized painted surfaces. Works well as a pre-spray on aluminum, stainless steel, metal, tires and engines. A special blend of butyl/alcohol and "natural citrus" make it a superior cleaner with minimal detergent usage. Free rinsing surfactant package.

#### Product Highlights

- ◆ Designed specifically for pressure washers.
- ◆ Designed for hot or cold washing. Exclusive dispersion and water softening package to aid in hard water conditions. Works well in hard or soft water. A truly anywhere/everywhere detergent.
- ◆ User friendly.
- ◆ Contains corrosion inhibitors.
